AMENDMENT

Assistant Commissioner of Patents Washington, D.C. 20231

Sir:

This is in response to the office action dated January 25, 2002, the period for response to which has been extended to May 25, 2002, by filing a petition for a one month extension of time and paying the required fee. The deadline for filing a response within the extended one month period is May 28, 2002, since May 25, 2002, falls on a Saturday and May 27, 2002, is a federal holiday. Please amend the application as follows:

IN THE CLAIMS:

(Five times amended) A purified Staphyloccus epidermidis protein or polypeptide fragment of the protein having fibrinogen binding activity.

A vaccine composition including the protein or 25. (Thrice amended) polypeptide fragment of the protein having fibrinogen binding activity according to claim 1.
